Chocorua Ski & Beach Association

A Firewise Community

Summer - 2011

### **ANNUAL BEACH CLEAN-UP SATURDAY MAY 28<sup>h</sup> 9:00 a.m. - NOON**

Your Neighbors need your help for a few hours. Join in where ever you choose, any area you would like to contribute. We've had some disquieting literature about the Association this Spring; this note is about an affirmative rally. For the past 30+yers, our Spring Clean-Up has been a wonderful tradition of Association Mambers and their Families joining together for a common purpose: to refocus the Association for the Summer Season by sprucing up our common areas. The other key accomplishment has been the wonderful turn-out of members working together for a common cause, enhancing our friendship and relationship with eachother. We also save a ton of money. Continue the tradition! Be a part of something rewarding and fun. All sizes of people welcome.

Thanks: This past Fall, 26 people spent a short hour Winterizing our Beach Equipment for the Season by pulling the rafts, docks and floats out of the water, the earliest...and fastest ever. It's easy, (needed) work when we cooperate.

We need you for 3 hours on Saturday, May 28th. of Memorial Day Weekend. 9:00-12:00.

Snow Date Sunday

If you can't make it on Saturday morning, connect with John Swenson on Remick Dr. Swendog65@gmail.com to help earlier in the week or later the following week.
